

A woman with long, wavy brown hair is standing in a field of tall, golden grass. She is wearing a white, sleeveless, high-waisted dress with a thin belt. She is leaning her right hand on a wooden fence post. The background is a soft, hazy sunset or sunrise, with the sun low on the horizon, creating a warm, golden glow. The overall mood is serene and romantic.

# What are Photoshop Actions?

Photoshop actions come in the .ATN file format and put simply, Actions are a series of steps that have been recorded by their creator. This sequence of steps can then be reapplied at any time which allows you to recreate the end result without having to go through each individual step every time. Think of them as short cuts.
