

Lovely Watercolor Effect

FAQs

How do I install Photoshop Actions?

1. Open Photoshop, and click on the Actions Palette menu button (located in the top-right of the Actions Palette)
2. Select "Load Actions"
3. Select the .atn files from the download file that you have unzipped.

How do I use the Actions?

For directions on how to use the actions, and how to adjust the settings to get the best results out of any photo, please check out the Video Tutorial on YouTube:

What do I need the Watercolor Smudge Brushes for?

The Watercolor Smudge Brushes are very useful to use on hair and background to add even a more realistic watercolor feel to your photo, after you have ran the actions, and therefore have applied the watercolor effect.

How Do I use the Smudge Brushes?

For directions on how to best use the Smudge Brush that is included in the .zip file, please check out the Video Tutorial on YouTube: <https://www.youtube.com/watch?v=3rzvn7SrVsk>
