

# Mixed Digital Art

## HOW TO INSTALL THE ACTION

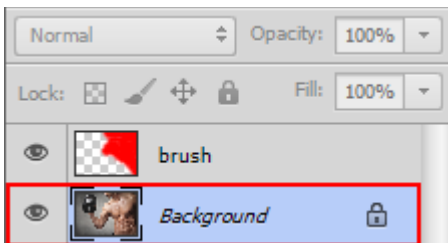

---

1. Start Photoshop and open the Actions panel: **Window -> Actions**
2. Select "**Load Actions**" in the panel dropdown.
3. Select the file called "**Mixed\_Digital\_Art.atn**" and load the action.

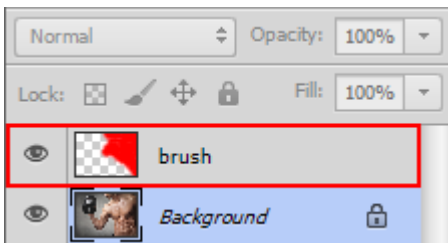

## HOW TO USE THE ACTION

---

1. Open the image you want to apply the action to.
2. The image should be set as "**Background**". If it is not, go to **Layer >> New >> Layer from Background...**

3. Create a new layer above the background layer and call it "**brush**" (all in lowercase).

4. Select the "**brush**" layer.
5. Using the soft "**Brush Tool (B)**" paint over the section of the image that you want to apply the effect to.
6. Run the action.
