

---

## Note

Before you run additional action "**Oil Paint(...)**" you should download and install the "**GREYCstoration**" plugin into your Photoshop CC version.

Download Link GREYCstoration here: <http://bit.ly/2mE5P70>

How Install GREYCstoration tutorial here: <http://bit.ly/2m781Wu>

And if you used Photoshop CS5 you should install "**Pixel Blender**" filter into your Photoshop CS5.

Download Pixel Blender (64Bit) here: <http://bit.ly/2mkmFcK>

Download Pixel Blender (32Bit) here: <http://bit.ly/2lWtQEh>

If you have some trouble when install pixel blender, you can read this forum <https://forums.adobe.com/thread/1160125>
