PHOTOSHOP ACTION

THANKS FOR DOWNLOADING !

Before applying the action please make sure following :

1, Your Photoshop document must be in **RGB color mode**. To check this, go to the menu Image -> Mode -> RGB Color

2, Your Photoshop document must be setup in **8 bits/Channel**. To check this, go to the menu Image -> Mode -> 8bits/Channel.

3, Use a high quality photo. Recommended sizes are between **1000–6000px** . For images under 800px, you increase the likeliness of an error occurring as there is not enough pixels for Photoshop to perform certain tasks. You can adjust size from image size window.
Image -> image size

4, Recommended resolution: **72 - 300 dpi** resolution. To check this, go to the menu, Image—> Image Size and check the Resolution number.
