

# HOW TO INSTALL BRUSHES

## Photoshop CC 2020:

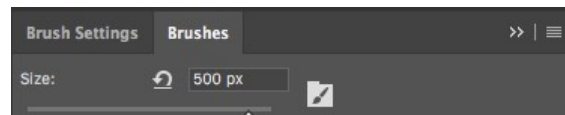

Simply download the brushes and double click the .abr files. The brushes will automatically load into your Photoshop program.

## Previous Versions of Photoshop:

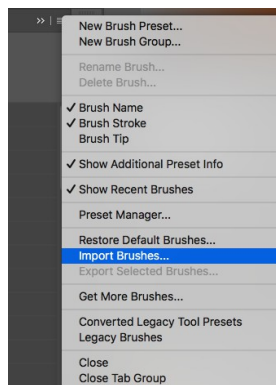

- 1) Download the brushes to your computer.
- 2) Open the brush panel in Photoshop

- 3) Click on the three lines to the right of the panel to open the menu

- 4) Select “Import Brushes” from the menu

- 5) Select the .abr files from your computer.
