

## ~ TERMS OF USE ~

All template designs are copyrighted with all rights reserved, this also includes the look and feel of templates and products. Any and all violations of these terms and conditions will result in punishment in full extent of the law. For the full version of our “Terms of Use” please visit [HERE](#).

### YOU MAY:

- ✓ Use the purchased templates and /or products with your own images and sell to your clients in the form of a flattened JPG or PNG where the client has no way of altering or editing the final product.
- ✓ Use our products to promote your photography or small business as long as the products are flattened and non-editable or in a printed product.
- ✓ Show examples of our products and templates with your own images, that are flattened and non-editable, in online galleries, forums or discussion groups. Credit is always welcomed but not required.
- ✓ Your employee’s may use these templates and product for the purpose of your business as long as the do not make personal copies.

### YOU MAY NOT:

- × Sell/Redistribute/Share/Request our templates or products in anyway (sharing, loaning or pirating). This includes both fee based and free products.
- × Claim them as your own design (altered or unaltered)
- × Upload our templates to any webpage for download and/or send them through Google, Yahoo, “list” groups or email.
- × Use our products for scrap for hire and/or commercial use.
- × Use our templates, products or images on our website inappropriately. This includes any site containing or promoting child abuse, pornographic material, racism, drugs or any illegal activity.

Seasalt & Co. does not guarantee that any of our products will be error-free. You agree that software in general is prone to flaws and bugs. Seasalt & Co. liability will be limited to a maximum of the original purchase price of the template or product. Due to the nature of these products NO refunds or returns are given. ALL sales are final. By purchasing and downloading products you are agreeing to these terms and conditions.
